

BENAYA ARTA HENDRATRI

IT'S OKEY NOT TO BE OKEY CHILL

ABOUT ME

I very love technology especially robot and game.
robot is cool because they can do something
as human can't do. Video game is very interesting
because we can do all do all what i cant do in real life

AS PROGRAMMER

I understand few of programming
language like Python, C++ and Java
and now I learn HTML an this is
very interesting.
